

I believe that God gives each of his children unique talents that were meant to be shared with others. I would like to share my unique talents with the people in my community and at Guardian Angels Church and School.

Below are the talents I can share with Guardian Angels Church and School. I understand that this intention form will be kept on file with the church and school and I may be contacted should the need arise for the talents God has given me.

Name: _____

Phone Number: _____

E-Mail Address: _____

Please bring this completed form and drop in the collection basket at Mass. Thank you and God Bless!
