

(2225) “Through the grace of the sacrament of marriage, parents receive the responsibility and privilege of evangelizing their children. Parents should initiate their children at an early age into the mysteries of the faith for which they are the ‘first heralds’ for their children...”

(2226)...Parents have the mission of teaching their children to pray and to discover their vocation as children of God. The parish is the Eucharistic community and the heart of the liturgical life of Christian families; it is a privileged place for the catechesis of children and parents.”

(Catechism of the Catholic Church)

### **BEHAVIOR POLICY**

In light of the directives from “The Catechism of the Catholic Church”, the following policy is being implemented in order to maintain a respectful, caring classroom environment where all students are able to learn about their Catholic faith.

Students are expected to follow classroom directives and behave in a respectful manner toward their teachers, classmates and the property.

- If a student is continually disruptive and hinders the learning of others, or if a student is uncooperative in attitude or behavior, the Catechist will send the student to the Director. The Director along with the Catechist will decide if the student can return to the classroom, or if the student must call home. Parents are required to discuss the matter with the staff person before taking their child home.
- If the student is sent out of the classroom again, parents will be contacted, and required to accompany their child to class the following week and remain with them.
- If the student continues the behavior/attitude, the student will be removed from class, and the choice will be given to the parents to either accompany their child each week or teach the child at home, with work checked by the Director once a month.

Any infringements in matters of a serious nature, involving laws or safety issues will result in removal from the program and may include police personnel.
