## Cultural Reflection Sheet

After participating in a cultural experience, you will need to answer the following questions. Answers will need to be written on a separate sheet of paper. **(Please do NOT point out the difference in language.)** In addition, you will need to get the signature of the person in charge (i.e., teacher, Father Paul, etc.)

Part 1: Answer these questions **before** going to your cultural experience.

1. What cultural experience are you attending today?
2. What are your expectations about the cultural experience you will have today? (List 2-3)

Part 2: Answer these questions **after** your cultural experience.

3. Describe a moment during your cultural experience that you used or understood some of the Spanish language.
4. How does this experience tie in with something you have learned in school this year?
5. What are some similarities and/or differences to your culture that you saw while participating in this experience?
6. Compare and contrast your expectations from question 2 to what you actually experienced.
7. In participating in this experience, how did you share your time and talent today? (Faith Formation only)

**\*\*Please don't forget the signature of the individual in charge!!**
