Items Discussed

1. Love INC

- Jeff Burzinski presented Love INC to the Parish Council and gave a brief explanation of the organization. The mission of Love INC is to mobilize the Church to transform lives and communities In the Name of Christ. There are three levels to which the Guardian Angels could be involved.
- It is an organization to bring all Christians together helping those most in need.
- Worries were expressed as to whether adding another ministry to the many at GA would mean spreading resources thinner than they already are.
- It would require at least one liaison to communicate information for events to GA.
- Laurie Forner will send out an email and follow up with each committee leader explaining how GA could be involved.
- More discussion will follow

2. St Francis Hall decisions made

- Display case construction was approved by Father
- St. Francis Prayer to be finished by the start of the school year.

3. 150th Anniversary Update

- Anyone is encouraged to join.

6. Hispanic Ministry

- Mark Stoltman brought to attention the need for a greater outreach from the Anglo community for greater unity.
