### Items Discussed

This meeting was a joint council meeting with representatives from Parish Council, Finance Council, Faith Formation, GA School, Buildings Grounds and Gardens Committee.

#### School tragedy

- Eric Crowell began by giving the presentation he gave to parents regarding the school heaters.
- Next step is to restore and paint requiring the help of volunteers
- Do a complete inventory for ongoing maintenance
- All involved are to be commended for their response and for being transparent in front of the media
- Building, Grounds, and Gardens Committee formed to help with on-going maintenance; It is a sub committee of the Finance Committee

#### Finance Council

- Scott Guillemette spoke about council objectives for parish
- Finance Council should coordinate with Parish Council with regards to planning the budget
- Building, Grounds, and Gardens Committee to do inventory of maintenance
- Need for a Capital Campaign Committee; someone not currently on council should lead
- There is a desire to keep the school competitive to keep up with the future boom of Chaska

#### Stewardship

- GA should work off of the Momentum of the beautiful people that helped out during tragedy to keep on track with vision
- There is room for everyone to step up to make this parish better
- Everyone is important and this must go beyond the planning committees
- Parishioners are beginning to feel ownership
- The new campaign will take place in a whole new atmosphere
- The church and school should not be separate thus we should use the term “Guardian Angels Campus”
- Tom Redman is the new liaison for Love INC

#### Welcoming Committee

- The welcoming committee has been a wonderful blessing and new members are already getting involved
