### **Guardian Angels School Advisory Committee Meeting Minutes**

**Date:** December 16, 2008

**Attendees:** Terri Farr, Michelle Godzak, Jenny Richelsen, Barb Winfield, Melissa Nault, Josh Yuhas, Nancy Ronhovde, Father Paul Jarvis, Eric Crowell

**Guests:** Amy Gallus, Amy Meger, Lyn Heiland

Terri Farr, Chairperson, called the meeting to order.

Nancy Ronhovde, Principal, led the group in prayer.

### **Items Discussed:**

#### **General Session**

Amy Meger presented some Preschool proposals for the 2009/2010 school year. Four models were discussed. A survey with the four models will be distributed to all current Guardian Angel families asking for input/suggestions and ideas. Amy will have the survey ready to distribute January 5, 2009. The idea is to survey as many parents as possible for feedback. Suggestions were made to include the survey in the church bulletin and to distribute it to our sister parishes.

#### **-Principal's report**

Nancy distributed a copy of her report and in order to save time asked that each committee member review her report.

-Nancy did review Accreditation status and developments. SAC needs to form a hospitality committee for the Team visit.

-Nancy did give an update that the uniform committee had met and is ready to submit their proposal for parent feedback

-Pax Christi's School Fair-SAC members will staff all masses. It is the weekend of Jan 10-11. We are responsible to bring all our own materials.

-SAC members were asked to sign up for staffing GA's Open House.

-Masters Fundraiser-we are behind on selling tickets to achieve our goal. Everyone was asked to send the flyer to everyone on your email list, to think of any contacts at local/nationwide golf courses, drop flyers in your neighbors paper slots, whatever we can do to increase awareness and ticket sales.

Due to the amount of projects facing the SAC, we will meet January 6. We will meet at 6 pm.

**-Budget for 2009/2010 school year discussions.**
